In 2020, qualified electors of the City of Chandler will elect three Councilmembers.

Elections

Primary Election

Tuesday, Aug. 4, 2020

At the primary election the candidates receiving the highest number of the majority of votes cast equal to the number of seats to be filled are declared elected to the office.

No further election is held unless:

- No candidate receives a majority of votes cast.
- An insufficient number of candidates receive a majority of votes cast.

Nothing on the ballot shall indicate the affiliation of any candidate with any other person, party, or group.

General Election

Tuesday, Nov. 3, 2020

If there is any office or offices where no candidate was elected, then the election is considered to be a primary election and a second or general election is held.

The candidates not elected at the primary election equal in number to twice the number of offices to be filled, or less, and who received the highest number of votes for the offices at the primary election, shall be the only candidates at the general election.

Majority Vote to Elect

Provisions of the Arizona Constitution, the general laws of the State, and provisions of the Chandler City Charter governing the majority vote to elect shall apply in the City.

For the mayoral race the total number of actual votes cast for the candidates for the office of mayor, and for the councilmember race the total number of actual votes cast for all candidates for the office of councilmember, constitutes the total number of votes cast and shall be the basis for calculating whether a candidate for mayor or councilmember has received a majority of all votes cast for that election.

Calculating the Majority of Votes Cast

- Add the total number of votes cast for all candidates for an office.
- Divide that sum by the number of seats to be filled at the election.
- Then divide the result of that calculation by two and round the number to the highest whole number.

Nomination Procedures

In Arizona, persons are nominated to run for office in the primary election by a petition procedure for nomination. The petition process allows any qualified voter the opportunity of seeking public office.

Statement of Interest

Prior to collecting any signatures on a candidate nomination petition form, a candidate must file a Statement of Interest with the City Clerk's Office. Any signatures collected before the date that the Candidate Statement of Interest is filed will not be counted. A.R.S. 16-311 (H)

Note: For the 2020 Election those candidates who have already been collecting signatures must file the Statement of Interest form no later than January 2, 2020.

It is the duty of the courts and not the City Clerk to determine the legal sufficiency of nomination petitions. Nomination Petitions

Financial Disclosure Statement

Challenging Nomination Petitions

Challenging Nomination Petitions

In the event a challenge is filed, it will be the person who submitted the petition, and not the City, that will be required to defend the legal sufficiency of the petition. It is the duty of the courts and not the City Clerk to determine the legal sufficiency of nomination petitions. The City Clerk need only determine that the nomination petitions substantially comply with the required form and contain the requisite number of signatures. The City Clerk has neither the right nor the duty to determine whether signers of the nominating petitions are qualified electors.

A candidate also may be challenged on grounds relating to qualifications of office.

Nomination Petition Challenge Period

Court action challenging a candidate's nomination shall be no later than 5 p.m. of the tenth day, excluding Saturday, Sunday and legal holidays, after the last day for the filing of nomination papers and petitions.

Superior Court will hear the action and render a decision within 10 days after the filing of the challenge.

The Superior Court decision is appealable only to the Arizona Supreme Court, and notice of appeal shall be filed within five days after the decision of the Superior Court.

All challenges are required to specify the petition number, line number and basis for dispute for each signature in question.

The City Clerk is statutorily named as a part to the action and automatically receives "service of process" in any action challenging a nomination petition. The City Clerk is the designated agent for the person filing a nomination petition and therefore, must immediately notify the person of the action.

Campaign Finance

A candidate for Mayor or Council must comply with all State campaign finance laws [A.R.S. Title 16, Chapter 6].

Campaign finance laws are specific and detailed. They establish when a candidate is required to form a committee, how a candidate's committee must be constituted, contribution limits, and when campaign finance reports are required and their content. The importance of strict compliance with campaign finance laws cannot be overstated. Timely, accurate compliance with campaign laws is essential to avoid monetary penalties, possible criminal violations, and other negative consequences. Failure to comply with campaign finance laws may be the subject of enforcement actions, as well as civil and criminal penalties.

To ensure compliance with all State campaign finance laws, candidates are strongly encouraged to seek the assistance of their attorney and/or other professionals with knowledge of election laws from the beginning of their involvement in the campaign process. City staff will not interpret campaign finance law for candidates. Staff will provide candidates with information needed to complete the required forms.

Statement of Organization

Candidates who receive contributions or make expenditures, in any combination, of \$500 or more in connection with their candidacy must register as a candidate committee and account for all monies or things of value received and explained by filing a Statement of Organization with the City Clerk (filing officer). [A.R.S. §16-905(B)]

Important Reminder

There are a number of campaign finance reports that must be filed with the City Clerk throughout the election period. It is the responsibility of the candidate and/or political committee to ensure all deadlines are met. [A.R.S. §16-913]

A candidate may have only one committee in existence for the same office during the same election cycle. Committees are required to file an amended statement of organization within ten days after any change in committee information. [A.R.S. §§16-906]

There are a number of campaign finance reports that must be filed with the City Clerk throughout the election period. It is the responsibility of the candidate and/or the candidate's committee to ensure all deadlines are met. Electronic filing via email is permissible.

A committee failing to file any of the required campaign finance reports is subject to a penalty of \$10 for each day that the filing is late during the first 15 days after the filing deadline, and \$25 for each subsequent day that the filing is late. Penalties accrue until the late report is filed. If the committee fails to file a report within 30 days after the filing deadline, the filing officer may, after providing written notice by email to the committee within five days after the filing deadline, refer the matter to the City Attorney.

Upon request from the filing officer (City Clerk) or the enforcement officer (City Attorney), a committee that has filed a statement of organization shall produce any of the records required to be kept pursuant to A.R.S. §16-907 to the filing officer or enforcement officer.

A person that qualifies as a committee as prescribed by A.R.S. §16-905 shall report all contributions, expenditures, and disbursements that occurred before qualifying as a committee and shall maintain and produce records as prescribed by A.R.S. §16-907.

[A.R.S. §16-901]

A candidate committee may transfer surplus funds, including the committee's debts and obligations, to a subsequent committee for that individual or candidate, as prescribed by A.R.S. §16-913.

3. In the case of a candidate committee, contribute surplus monies to a candidate committee for another candidate under the following conditions:

The Termination Statement form is used to dissolve a political committee at the end of the election cycle and/or whenever the committee meets the criteria listed above. After a Termination Statement is filed, a committee is not required to file any subsequent campaign finance reports and shall have no further receipts and disbursements without filing a new Statement of Organization.
